

**Wabtec**  
CORPORATION

## SENIOR INTERNAL AUDITOR

Wabtec Corporation is a global provider of value-added, technology-based products and services for the rail industry. Through its subsidiaries, the company manufactures a range of products for locomotives, freight cars and passenger transit vehicles.

Wabtec is currently looking for a qualified **Senior Internal Auditor** to plan and execute various financial, compliance and business process audits across Wabtec's worldwide operations, ensuring reliability of financial information in accordance with US GAAP requirements. This position will require a combination of project management and auditing skills to perform the following activities:

- Development and implementation of annual risk-based audit plan
- Individual Audit assignments and project reviews that include reporting the accuracy, timeliness and relevance of financial information; adequacy of internal controls; and conformity to Corporate Policies and Procedures
- Special engagements (acquisition, due diligence, policy reviews, etc.)

### QUALIFICATIONS:

- 3+ years' audit experience in public accounting
- B.S. in Accounting, Finance, Business or equivalent experience
- Willingness and ability to travel (domestic and international) 40%-60%
- CPA, CIA, MBA a plus
- Knowledge of Oracle preferred
- Foreign language skills a plus

There are many great reasons to join Wabtec. We offer a competitive salary, great working environment and excellent benefits. This is a challenging opportunity for a team-oriented and highly motivated individual who wishes to be part of a high performance culture. Qualified individuals should submit resumes and salary history no later than February 15, 2008 to:
